I. Introduction

This report is submitted in response to RCW 28A.225.151. The Office of Superintendent of Public Instruction (OSPI) is required to report to the Legislature each year the number of truancy petitions filed with the courts and other information called for by the statute.

The statute requires school buildings to report truancy information to school districts, and school districts to compile, verify, and transmit the reports to OSPI at the end of each school year. Questions regarding a particular district's data should be directed to the district that compiled and verified the data.

The Office of Superintendent of Public Instruction publishes district and county-level data, which is accessible for viewing at:
www.k12.wa.us/SafetyCenter/Truancy/default.aspx.
