Washington State Department of Transportation
Rail Division – Report for June 2015

Proviso:

In ESSB 5024 Chapter 306, Laws of 2013, Section 310 for the Department of Transportation – Rail – Program Y – Capital paragraph(5) requires a quarterly report on application and status on federal funds. The proviso states:

The department shall provide quarterly reports to the office of financial management and the transportation committees of the legislature regarding applications that the department submits for federal funds and the status of such applications.

Status:

The Freight Systems Division applied for a TIGER 7 grant with USDOT in the amount of \$5,208,182 for the project repairs to one steel and three timber bridges and replaces 11 timber bridges on the Washington State owned Palouse and Lewiston Branch Rail Line between Marshall and McCoy, Washington. We are currently awaiting review and possible award by USDOT and no dates have been given for notification.
