
HOUSE BILL 1141

State of Washington

52nd Legislature

1991 Regular Session

By Representatives Peery, Beck, Cantwell, Wood, Winsley, Rasmussen, Paris, Scott, Jones, Rayburn, Basich and Orr.

Read first time January 21, 1991. Referred to Committee on Education\Appropriations.

1 AN ACT Relating to programs for students with learning problems;
2 amending RCW 28A.630.050 and 28A.630.060; adding a new section to
3 chapter 28A.630 RCW; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 28A.630.050 and 1990 c 33 s 522 are each amended to
6 read as follows:

7 (1) The superintendent of public instruction (~~may~~) shall select
8 at least two and up to (~~five~~) ten school districts to participate in
9 a pilot program for prevention of learning problems and academic
10 delays. The program shall begin with the 1989-90 school year and
11 conclude at the end of the (~~1990-91~~) 1994-95 school year.

12 (2) If at the end of a pilot school year, for school years 1989-90
13 and 1990-91, the number of specific learning disabled students served
14 by a participating school district in handicapped education programs

1 has decreased as a result of the pilot project, the district shall be
2 reimbursed based upon the number, or percentage, whichever is greater,
3 of specific learning disabled students served in special education
4 during the school year prior to commencement of the pilot project.
5 These funds will be used to support the pilot project for prevention of
6 learning problems and academic delays: PROVIDED, That school districts
7 participating in the pilot prevention program established under this
8 section who have ongoing pilot projects previously approved by the
9 superintendent of public instruction shall utilize the school year
10 prior to initiation of such pilot project as the base for the
11 reimbursement calculation under this subsection when the number of
12 specific learning disabled students identified has decreased as a
13 result of participation in the pilot program established under this
14 section. Beginning in school year 1991-92, participating districts
15 shall be reimbursed based on four percent of the total school district
16 full-time equivalent student enrollment.

17 (3) School districts applying to participate in the pilot program
18 established under this section shall submit to the superintendent of
19 public instruction a proposed program budget for the ((~~1989-90 school~~
20 ~~year and a preliminary budget plan for the 1990-91~~)) first school year
21 of participation. These proposed budgets or budget plans shall outline
22 the resources to be used by the district in the identification and
23 early prevention of learning problems. Districts selected to
24 participate shall submit an updated budget proposal to the
25 superintendent of public instruction prior to the ((~~1990-91~~)) each
26 subsequent school year.

27 (4) Applications submitted by school districts shall also include:

28 (a) Assurances that the school district will not deny access to
29 special education programs for handicapped students entitled to
30 services under RCW 28A.155.010 through 28A.155.100;

1 (b) A description of methods to be used by the district to identify
2 students for additional instruction or other services provided under
3 the pilot project;

4 (c) A description of the types of instructional programs or
5 services to be used in prevention of learning problems;

6 (d) A plan for evaluating the effectiveness of the district's
7 project at the end of (~~the 1990-91~~) each school year, using student
8 test scores and other indicators of academic progress and, as
9 appropriate, vocational progress, as determined by the district; and

10 (e) Other information as may be required by the superintendent of
11 public instruction.

12 (5) For the purposes of this section, "state allocation for
13 handicapped students" includes state handicapped education moneys
14 allocated for students served in special education programs provided
15 under RCW 28A.155.010 through 28A.155.100 and basic education
16 allocations generated by such students under the state funding formula
17 adopted pursuant to RCW 28A.150.260.

18 (6) This section shall expire December 31, (~~1991~~) 1995.

19 **Sec. 2.** RCW 28A.630.060 and 1990 c 33 s 523 are each amended to
20 read as follows:

21 (1) Prior to December 1, 1991, the superintendent of public
22 instruction shall submit a report on the pilot program established
23 under RCW 28A.630.050 to the legislature and the governor. The report
24 shall include an analysis of the effectiveness of the program and
25 recommendations on whether the program should be (~~continued or~~)
26 expanded to other districts.

27 (2) This section shall expire December 31, 1991.

1 NEW SECTION. **Sec. 3.** (1) The superintendent of public
2 instruction shall create an implementation review board for the pilot
3 program for prevention of learning problems which shall be made up of
4 one representative from each of the participating districts. The
5 members of the implementation review board shall review all rules
6 adopted by the superintendent of public instruction pertaining to this
7 program and report to the legislature and governor before December 1,
8 1991, on ways to improve or reduce the paperwork necessary to conduct
9 this program.

10 (2) This section shall expire December 31, 1991.

11 NEW SECTION. **Sec. 4.** A new section is added to chapter 28A.630
12 RCW to read as follows:

13 The superintendent of public instruction may create a new program
14 code in the accounting manual for public school districts in the state
15 of Washington to track expenditures and revenues related to RCW
16 28A.630.050 and 28A.630.060.
