**SUBSTITUTE HOUSE BILL 1315**

---

**State of Washington                      52nd Legislature                      1991 Regular Session**

**By** House Committee on Trade & Economic Development (originally sponsored by Representatives Haugen, Spanel, Wilson, R. Johnson, Kremen, Braddock, H. Sommers, Morris, R. King, Sheldon, Hargrove, Belcher, Basich, Dorn, Jacobsen and Wineberry).

Read first time March 1,1991.

1            AN ACT Relating to a fish and wildlife work force; adding a new  
2 chapter to Title 50 RCW; providing an effective date; providing an  
3 expiration date; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            NEW SECTION.    **Sec. 1.**            The legislature finds that an increase  
6 in unemployment due to the declining timber economy in the state is  
7 imminent.        The legislature further recognizes that employment  
8 opportunities in other natural resource management professions exist  
9 and that natural resource enhancements in the areas of fisheries,  
10 wildlife, and recreation can bring needed income to distressed local  
11 economies in the state.    It is the intent of the legislature that  
12 displaced timber workers be given training in and opportunities to  
13 compete for employment in other resource management professions, and to  
14 establish a pilot program in Skagit county to accomplish this  
15 objective.        The Skagit river represents a potential recreational

1 fishery that, if enhanced, will bring much needed income to Skagit  
2 county. Enhancements to the fishery on the Skagit river are planned  
3 over the next several years, and workers will be needed to fill these  
4 positions. Displaced timber workers will be available to do this  
5 work.

6 NEW SECTION. **Sec. 2.** Unless the context clearly requires  
7 otherwise, the definitions in this section apply throughout this  
8 chapter.

9 (1) "Department" means the employment security department.

10 (2) "Dislocated timber worker" means any individual who:

11 (a) Has been terminated or received a notice of termination from  
12 employment in a timber-related occupation;

13 (b) Is eligible for or has exhausted entitlement to unemployment  
14 compensation benefits; and

15 (c) Is unlikely to return to employment in the individual's  
16 principal occupation or previous industry because of a diminishing  
17 demand for his or her skills in that occupation or industry.

18 (3) "College" means Skagit Valley Community College.

19 (4) "Local development agency" means the economic development  
20 association of Skagit county.

21 NEW SECTION. **Sec. 3.** A pilot project shall be established,  
22 coordinated jointly by the department and the college, in Skagit  
23 county. The pilot project created in this section is subject to the  
24 department and the college acquiring funds for the pilot project from  
25 federal, state, or private sources. The project shall be of five years  
26 duration.

1        NEW SECTION.    **Sec. 4.**        The college shall develop a training  
2 program designed for dislocated timber workers and their spouses, and  
3 in doing so, shall:

4        (1) Consult with, at a minimum, the departments of natural  
5 resources, ecology, wildlife, and fisheries, the parks and recreation  
6 commission, and other state, federal, local, and private employers in  
7 Skagit county to determine minimum employment qualifications in the  
8 areas of natural resource management and enhancement of the Skagit  
9 river; and

10       (2) Develop a program that will provide needed educational skills  
11 to dislocated timber workers and their spouses.

12       NEW SECTION.    **Sec. 5.**        The department shall contract with the  
13 local development agency to coordinate with the college and the  
14 departments of wildlife, ecology, natural resources, and fisheries, the  
15 parks and recreation commission, and other state, federal, local, and  
16 private employers in assisting dislocated timber workers and their  
17 spouses in securing education and employment in the natural resource  
18 professions.        The local development agency shall also provide  
19 information on the training program established under section 4 of this  
20 act.

21       NEW SECTION.    **Sec. 6.**        The department and the college shall  
22 jointly report to the legislature on their progress by November 1 of  
23 each year, beginning in 1991 and ending November 1, 1996. This report  
24 shall include a college program description, numbers of students,  
25 numbers of referrals for existing positions by the local development  
26 agency, and numbers of positions filled by dislocated timber workers.

27       NEW SECTION.    **Sec. 7.**        This act shall expire January 1, 1997.

1        NEW SECTION.    **Sec. 8.**        Sections 1 through 7 of this act shall  
2 constitute a new chapter in Title 50 RCW.

3        NEW SECTION.    **Sec. 9.**        This act is necessary for the immediate  
4 preservation of the public peace, health, or safety, or support of the  
5 state government and its existing public institutions, and shall take  
6 effect July 15, 1991.
