AS AMENDED BY THE SENATE

Passed Legislature - 1993 Regular Session

**State of Washington                      53rd Legislature                      1993 Regular Session**

**By** Representatives Silver, Jacobsen, Ballasiotes, Brumsickle, Carlson, Mielke, Talcott, Dyer, Cooke, Hansen, Jones, Quall, Padden and Wood

Read first time 01/29/93. Referred to Committee on Higher Education.

1            AN ACT Relating to higher education; and adding a new section to  
2 chapter 28B.10 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            NEW SECTION.    **Sec. 1.** A new section is added to chapter 28B.10 RCW  
5 to read as follows:

6            (1) The higher education coordinating board shall annually develop  
7 information on the approximate amount of state support that students  
8 receive. For students at state-supported colleges and universities,  
9 the information shall include the approximate level of support received  
10 by students in each tuition category. That information may include  
11 consideration of the following: Expenditures included in the  
12 educational cost formula, revenue forgiven from waived tuition and  
13 fees, state-funded financial aid awarded to students at public  
14 institutions, and all or a portion of appropriated amounts not  
15 reflected in the educational cost formula for institutional programs  
16 and services that may affect or enhance the educational experience of  
17 students at a particular institution. For students attending a private  
18 college, university, or proprietary school, the information shall

1 include the amount of state-funded financial aid awarded to students  
2 attending the institution.

3 (2) Beginning July 30, 1993, the board shall annually provide  
4 information appropriate to each institution's student body to each  
5 state-supported four-year institution of higher education and to the  
6 state board for community and technical colleges for distribution to  
7 community and technical colleges.

8 (3) Beginning July 30, 1993, the board shall annually provide  
9 information on the level of financial aid received by students at that  
10 institution to each private university, college, or proprietary school,  
11 that enrolls students receiving state-funded financial aid.

12 (4) At least annually, beginning with the 1993 fall academic term,  
13 each institution of higher education described in subsection (2) or (3)  
14 of this section shall provide to students at the institution  
15 information on the approximate amount that the state is contributing to  
16 the support of their education. Information provided to students at  
17 each state-supported college and university shall include the  
18 approximate amount of state support received by students in each  
19 tuition category at that institution. The amount of state support  
20 shall be based on the information provided by the higher education  
21 coordinating board under subsections (1) through (3) of this section.  
22 Institutions may use any informational format that is appropriate for  
23 their students, including, but not limited to, posters, handouts, and  
24 information in students' registration packets.
