

SENATE BILL REPORT

SB 5017

As Reported By Senate Committee On:
Natural Resources, January 27, 1995
Ways & Means, February 23, 1995

Title: An act relating to commercial fishery licenses.

Brief Description: Establishing commercial fishery license fee and renewal provisions for years with no fishing season.

Sponsors: Senator Snyder.

Brief History:

Committee Activity: Natural Resources: 1/17/95, 1/27/95 [DPS].
Ways & Means: 2/22/95, 2/23/95 [DPS (NAT)].

SENATE COMMITTEE ON NATURAL RESOURCES

Majority Report: That Substitute Senate Bill No. 5017 be substituted therefor, and the substitute bill do pass.

Signed by Senators Drew, Chair; Spanel, Vice Chair; Hargrove, Haugen, Morton, Oke, Owen, Snyder, Strannigan and Swecker.

Staff: Vic Moon (786-7469)

Background: It is not clear that the Department of Fish and Wildlife's director has clear authority to not collect license fees for a commercial fishery if the department does not allow a commercial fishery. With the moratoriums in effect for several commercial fisheries, it is necessary to provide that the failure to fish for a year will not invalidate a person's ability to receive licenses in subsequent years.

Summary of Substitute Bill: If the Department of Fish and Wildlife does not allow a commercial fishing season during a license year, the department may either waive the license fee for a commercial fishery or may refund the commercial fishery license fee that has been paid.

If a person with a commercial license does not fulfill poundage or landing requirements during the license year because the department does not allow a fishing season, the future renewal of a person's commercial fish license is not affected.

Substitute Bill Compared to Original Bill: The language is made more specific and the prohibition against refunding license fees is removed.

Appropriation: None.

Fiscal Note: Available.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: Fishers should not have to purchase commercial licenses if they don't have an opportunity to fish.

Testimony Against: None.

Testified: PRO: Cyreis Schmitt, Dept. of Fish and Wildlife; Richard Good, Trollers Assoc.; Mark Cedergreen, Westport Charters; Ed Owens, fishers; Ernie Summers, WA Dungeness Crab Assn.; Darrel Potter, WA Food Fish Assn.

SENATE COMMITTEE ON WAYS & MEANS
