### SENATE COMMITTEE ON NATURAL RESOURCES

**Majority Report:** That Substitute Senate Bill No. 6529 be substituted therefor, and the substitute bill do pass.

Signed by Senators Drew, Chair; Spanel, Vice Chair; A. Anderson, Hargrove, Haugen, Morton, Oke, Owen, Snyder, Strannigan and Swecker.

**Staff:** Ross Antipa (786-7413)

**Background:** The recreational fishing and hunting license structure of the Department of Fish and Wildlife is unnecessarily complex and difficult for public compliance, and dealer issuance.

The administration of recreational licenses needs to be simplified.

**Summary of Substitute Bill:** The Fish and Wildlife Commission is required to develop proposed legislation to simplify and modernize the recreational fishing and hunting license system by the 1998 legislative session.

The commission must make interim improvements to the current license system.

**Substitute Bill Compared to Original Bill:** The Fish and Wildlife Commission is required to develop proposed legislation to simplify and modernize the recreational fishing and hunting license system by the 1998 legislative session rather than the 1997 legislative session.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Testimony For:** The current system is unnecessarily burdensome upon the hunting and fishing public and the license agents.

**Testimony Against:** The time deadlines in the legislation are too short to allow the commission a full opportunity to debate the issues and form recommendations.

**Testified:** Roger Ficek, GTech (pro); Becky Bogard, GTech Corp. (pro); Bill Jones, HUB Sportsmen, Wild Cat Steelhead Club (pro); Bruce Crawford, WDFW.
