

1162-S

Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Schoesler and Mastin; by request of Department of Ecology and Department of Revenue)

Brief Description: Changing collection of hazardous waste fees.

**HB 1162-S - DIGEST**

(SUBSTITUTED FOR - SEE 2ND SUB)

Deletes the imposition of fees on potential generators of hazardous waste.

Directs the department to contract with private businesses to provide compliance education.

Appropriates one million dollars from the state toxics control account to provide technical assistance.
