

1272-S

Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Chandler, Mastin, Blanton, Johnson, Kremen, Sherstad, Elliot and Backlund)

Brief Description: Recovering gasoline vapors.

HB 1272-S - DIGEST

(AS OF HOUSE 2ND READING 3/7/95)

Provides that a gasoline vapor recovery device is not required at a service station or other gasoline dispensing facility, unless the facility is located in an area that exceeds federal air quality standards for ozone.
