

1573-S

Sponsor(s): House Committee on Financial Institutions & Insurance  
(originally sponsored by Representatives L. Thomas, Mielke,  
Blanton, Wolfe, Rust, Horn and Dellwo)

Brief Description: Providing for heating oil liability protection.

**HB 1573-S - DIGEST**

(AS OF HOUSE 2ND READING 3/7/95)

Calls for a program to provide pollution liability insurance for heating oil tanks that provides needed coverage and aggregate limits, and protects the state from unwanted or unanticipated liability for accidental release claims.

Creates the heating oil pollution liability trust account.

Imposes a pollution liability insurance fee on all heating oil purchased within the state.
