

2188-S

Sponsor(s): House Committee on Health Care (originally sponsored by Representatives Backlund, Hymes, Dyer, Sherstad and Horn)

Brief Description: Requiring a majority vote of the medical quality assurance commission to revoke a physician's license.

**HB 2188-S - DIGEST**

(DIGEST AS ENACTED)

Provides that, when a panel of the commission revokes a license, the respondent may request review of the revocation order by the remaining members of the commission not involved in the initial investigation.

Directs the commission to adopt rules establishing review procedures.
