Brief Description: Establishing procedures by which owners of single-family residences may use lake water for noncommercial landscape irrigation.

HB 2202.E - DIGEST

(AS OF HOUSE 2ND READING 1/22/96)

Establishes procedures by which owners of single-family residences may use lake and reservoir water for noncommercial landscape and garden irrigation from designated locations.

Describes the elements to be considered in approving the use.

Requires a report on the advantages and disadvantages of the use of water from additional lakes or reservoirs by June 1, 1999.
