Brief Description: Changing provisions relating to sewage disposal.

HB 2248-S - DIGEST

(AS OF HOUSE 2ND READING 2/6/96)

Requires timely action on applications for sewage disposal systems.

Prohibits denial of an application without good cause.

Requires the department of health to include a person who is familiar with the operation and maintenance of aerobic systems on the committee responsible for evaluating the general use of alternative on-site sewage disposal systems.

Authorizes the formation of a sewer district to serve a new development without residents until seventy-five percent of the lots are sold.

Requires periodic review of guidelines and standards for sewage disposal systems.
