Brief Description: Limiting review of shoreline development permits.

HB 2356 - DIGEST

(AS OF HOUSE 2ND READING 2/6/96)

Prohibits shorelines hearings board from undertaking a de novo review of the decision being reviewed or substituting its judgement for that of the local government.

Prohibits the board from relying on evidence that is not a part of the record before the local government.

Requires deference to the local government's interpretation of its own shoreline master program.
