Brief Description: Providing for designation of mineral resource lands.

**HB 2529-S.E - DIGEST**

(AS OF HOUSE 2ND READING 2/6/96)

Directs counties, cities, and towns to designate sufficient mineral resource lands in their comprehensive plans to meet the projected twenty-year, county-wide needs.

Declares that, once designated, mineral resource uses including operations as defined in RCW 78.44.031, shall be established as an allowed use in local development regulations.
