

2751-S

Sponsor(s): House Committee on Commerce & Labor (originally sponsored by Representatives Dyer, McMorris and Cooke)

Brief Description: Providing incentives for providing information about industrial insurance coverage.

HB 2751-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that an employer reporting under RCW 51.16.060 is entitled to a credit against his or her premium if the reporting employer provides information to the department about another employer who has failed to secure coverage as required by this title.

Declares that the reporting employer is entitled to a premium credit of five hundred dollars for each employer the department finds to be in violation of the coverage requirements of Title 51 RCW.
