Brief Description: Conducting a study to evaluate the impact of airport traffic upon residential housing values around Sea-Tac airport.

HB 2825 - DIGEST

Directs the legislative transportation committee to conduct a study analyzing the impacts of airport impacts, such as air quality, water quality, street traffic, and noise, upon residential housing values near Seattle-Tacoma international airport. The committee may retain consultants as necessary to conduct or assist in the analysis.

Makes an appropriation of seventy-five thousand dollars for the purposes of this act.
