

5049-S

Sponsor(s): Senate Committee on Government Operations (originally sponsored by Senators Haugen and Winsley)

Brief Description: Authorizing a county research service.

SB 5049-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Creates a special account in the state treasury to be known as the "county research services account" to finance the costs of county research.

Provides that the municipal research council shall provide services to the counties, as well as to cities.

Revises the membership of the municipal research council to include county officials.

Requires requests for legal services to be sent to the county prosecutor's office.
