

5076-S

Sponsor(s): Senate Committee on Natural Resources (originally sponsored by Senators Oke, Owen and Drew)

Brief Description: Developing wildlife habitat corridors.

SB 5076-S - DIGEST

(AS OF SENATE 2ND READING 2/8/95)

Directs the conservation commission to institute a program to link wildlife habitat areas with corridors that will facilitate the movement of wildlife species between areas of suitable habitat.

Develops a program of incentives to private landowners to participate in the program.

Develops an interagency program for the establishment of wildlife corridors.

Requests the assistance of native American tribes.

Encourages a program for public contributions to support the efforts.
