

5211-S

Sponsor(s): Senate Committee on Government Operations (originally sponsored by Senators Winsley, Haugen, McCaslin, Sheldon, Drew and C. Anderson)

Brief Description: Revising guidelines for receipt and expenditure of federal and private funds by local governments.

SB 5211-S - DIGEST

(AS OF SENATE 2ND READING 3/8/95)

Assists community and economic development by clarifying the authority of all cities, towns, counties, and public corporations to engage in federally guaranteed "conduit financings" and to specify procedures that may be used for such conduit financings.

Does not duplicate programs of the state housing finance committee.
