

5282

Sponsor(s): Senators Fraser and Newhouse; by request of Department of Revenue

Brief Description: Modifying department of revenue tax information disclosure regulations.

SB 5282 - DIGEST

(DIGEST AS ENACTED)

Provides that tax information should not be disclosed if it could identify a confidential informant.

Does not give authority to the department to give, sell, or provide access to any list of taxpayers for any commercial purpose.

Specifies permitted procedures for the department in connection with official duties relating to an audit.
