

5481

Sponsor(s): Senators Hargrove, Long, Snyder and Winsley; by request of Governor Lowry and Attorney General

Brief Description: Revising provisions for community public health and safety networks.

**SB 5481 - DIGEST**

Revises the duties of the community public health and safety networks and directs them to ensure that administrative costs are held to a minimum so the most dollars flow to planning and direct services.

Revises the funding source for the networks.
