Brief Description: Requiring the child care coordinating committee to develop a comprehensive career development plan for early child care and education and school-age care.

SB 6501 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent of the legislature that the child care coordinating committee begin formulating a comprehensive career development plan for early child care and education and school-age care to promote equal access to education and training, uniform educational and training programs, and recognition of early child care and education and school-age care as a profession.

Makes an appropriation of twenty-five thousand dollars to carry out the purposes of the act.
