

6558

Sponsor(s): Senators Roach, Smith, Oke and Swecker

Brief Description: Requiring the state patrol to maintain the central registry of sex offenders on the internet.

**SB 6558 - DIGEST**

(SEE ALSO PROPOSED 1ST SUB)

Encourages the inclusion of a photograph of the sex offender.  
Provides for the removal of information from the electronic central registry at the time the offender's duty to register expires.
