

6618-S

Sponsor(s): Senate Committee on Ways & Means (originally sponsored by Senators Snyder, McDonald, Rinehart and West)

Brief Description: Measuring state fiscal conditions.

SB 6618-S - DIGEST

(AS OF SENATE 2ND READING 2/5/96)

Creates the economic climate council to select a series of no more than ten benchmarks that characterize the competitive environment of the state.

Requires the council to prepare an official state economic climate report based on changes in the benchmarks.

Creates an advisory committee to assist the council.
