Sponsor(s): Senate Committee on Government Operations (originally sponsored by Senators Haugen, Sheldon, Winsley, Hale, Wood and Long)

Brief Description: Prescribing standards for development regulations.

SB 6638-S.E - DIGEST

(AS OF SENATE 2ND READING 2/13/96)

Requires the standards for development regulations to be framed in a manner consistent with the minimum possible restriction on the use and enjoyment of private property.

Declares that the regulations shall not apply to normal and routine maintenance of utilities undertaken pursuant to best management practices.
