

6659-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Schow, Morton, Owen, Oke, Heavey, Prince and Prentice)

Brief Description: Regulating use of high-occupancy vehicle lanes.

SB 6659-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Specifies the types of vehicles which qualify as "high-occupancy vehicles."

Declares that it is unlawful for the driver of a vehicle to travel alone in a high-occupancy vehicle lane without having first obtained from the department of transportation, upon payment of an appropriate fee, a sticker identifying the vehicle as an authorized high-occupancy vehicle.
