Brief Description: Requiring a domestic animal fit for purchase certificate for sales of dogs or cats.

SB 6716 - DIGEST

Declares that the domestic animal certificate may be issued only if the animal is: (1) Free of any disease communicable, excluding external parasites, to another animal or human;

(2) free of any congenital or hereditary condition that seriously affects the health of the animal at the time of the sale or is likely to in the future; and

(3) inoculated against the diseases that are consistent with practice for the age of the animal at time of purchase.
