Brief Description: Exempting first class school districts from conflict of interest provisions relating to contracts.

SB 6757 - DIGEST

(DIGEST AS ENACTED)

Amends RCW 42.23.030 to exempt first class school districts from conflict of interest provisions relating to contracts.

Authorizes a contract with a company in which a school board member has a contract if it is for less than \$750 a month, if there is public disclosure, and if the school board member does not vote on the contract.

Requires the first class districts to comply with the same requirements for second class districts, plus advertise a proposed contract in a newspaper of general circulation.
