**BACKGROUND:**

In 1984, legislation was enacted authorizing the design and placement of a memorial on the capitol campus honoring Washington State residents who died or are missing in action in the southeast Asia theater of operations. This memorial, commonly known as the Vietnam Memorial, was dedicated in May 1987.

**SUMMARY:**

The Legislature requests that the Governor, in consultation with the director of General Administration and the state Vietnam veterans organization, place a plaque on the Vietnam Memorial honoring those veterans who died from war-related injuries received in the southeast Asia theater of operations.

**FISCAL NOTE: Not requested.**
