5 On page 8, line 25, after "impact areas." strike all material down
6 through line 29 and insert "~~((For purposes of this section, the term
7 "distressed counties" includes any county, in which the average level
8 of unemployment for the three years before the year in which an
9 application for financial assistance is filed, exceeds the average
10 state unemployment for those years by twenty percent.))"~~"
