Brief Title: Recognizing concealed pistol permits from other states.

HB 1196 - DIGEST

Declares that a "concealed pistol license" as used in RCW 9.41.050 means a license issued under the provisions of RCW 9.41.070 or an out-of-state license, permit, or other document authorizing an individual to carry a concealed firearm issued in accordance with the provisions of the law of a state or territory of the United States, or any other political subdivision within the United States but also outside the state of Washington.
