Brief Title: Protecting certain public transportation information.

SB 5064-S - DIGEST

(DIGEST AS ENACTED)

Provides for confidentiality of certain public transportation information.

Pertains to the personally identifying information of current or former participants or applicants in a paratransit or other transit service operated for the benefit of persons with disabilities or elderly persons.

Pertains to the personally identifying information of persons who acquire and use transit passes and other fare payment media including, but not limited to, stored value smart cards and magnetic strip cards, except that an agency may disclose this information to a person, employer, educational institution, or other entity that is responsible, in whole or in part, for payment of the cost of acquiring or using a transit pass or other fare payment media, or to the news media when reporting on public transportation or public safety. This information may also be disclosed at the agency's discretion to governmental agencies or groups concerned with public transportation or public safety.

Provides that the department, a county, city, town, any other public entity, and any private entity under the public-private transportation initiatives authorized under chapter 47.46 RCW, that provides transit, high-speed ground transportation, high capacity transportation service, ferry service, toll facilities, or other public transportation service or facilities may only use personally identifiable information obtained from the use of electronic toll payments, transit passes, or other fare media such as magnetic strip cards or stored value cards for billing purposes. This information may not be used to track or monitor individual use of the public transportation facilities or service, except for billing purposes and to provide statistical compilations and reports that do not identify an individual.
