Brief Description: Authorizing the general contractor/construction
manager contracting procedure for school district capital projects.

SB 5225 - DIGEST

Provides that in addition to the projects authorized in RCW
39.10.060, public bodies may also use the general
contractor/construction manager contracting procedure for the
construction of school district capital demonstration projects
valued between five and ten million dollars.

Establishes the school district project review board to review
school district proposals submitted by school districts to use
alternative public works contracting procedures.
