6 following:

7 "NEW SECTION. **Sec. 1.** The state building code council shall  
8 conduct a study of those nationally recognized model codes that are  
9 available for review at the time of the study in the following areas:  
10 Building codes, mechanical codes, fire codes, and plumbing codes. The  
11 study shall include information on the technical merits of the model  
12 codes. The state building code council shall review previous  
13 subcommittee reports on nationally recognized model codes, and shall  
14 invite participation in the study by all affected groups and  
15 organizations.

16 By December 1, 2002, the state building code council shall report  
17 results of the study to the appropriate committees of the legislature.  
18 The report shall include recommendations for adoption by reference of  
19 nationally recognized model codes for the purpose of updating the state  
20 building code."
