5 On page 2, line 25 of the amendment, after "purposes." insert "This  
6 authority does not include administering, dispensing, or prescribing  
7 these oral drugs for patients within ninety days of having had surgery  
8 of the human eye or human vision system."

EFFECT: Prohibits optometrists from administering, dispensing, or  
prescribing oral drugs for a 90-day period following eye surgery.
