Brief Description: Studying and reporting on the feasibility of state-supported east-west rail passenger service.

SB 6795 - DIGEST

Directs the department of transportation to conduct a comprehensive study concerning the feasibility of the operation of rail passenger service from: (1) King Street station in Seattle via Wenatchee to the rail station in Spokane;

(2) King Street station in Seattle via Yakima to the rail station in Pasco;

(3) The rail station in Pasco via Ritzville to the rail station in Spokane; and

(4) The rail station in Portland via Vancouver and Pasco to the rail station in Spokane.
