3 On page 7, line 17 of the amendment, after "section." insert:  
4 "(4) At a minimum, the department shall supervise an offender  
5 required to be supervised under subsection (2) of this section in  
6 the same manner in which the department supervises offenders  
7 classified in the third highest risk category. Nothing in this  
8 subsection prohibits the department from supervising such an  
9 offender in the same manner in which the department supervises  
10 offenders classified in the second highest or highest risk  
11 category."

12 Renumber the remaining subsection consecutively.

**EFFECT:** Requires the offenders who must be supervised irrespective of risk category to be supervised at least in the same manner in which the department supervises offenders classified in the third highest risk category. This does not prohibit the department from supervising the offenders in the same manner in which the department supervises offenders classified in the second highest or highest risk category.
