3/18/03 ADOPTED

1 On page 5, after "equipment" on line 35, insert the following:  
2 "if the person or entity has received a letter from a manufacturer  
3 of that category of equipment recognizing the person's or entity's  
4 qualifications to repair, maintain, or replace that type of equipment  
5 and the individual working on the equipment either (a) has a written  
6 verification issued by the employer that the individual has at least  
7 two thousand hours of experience repairing, maintaining or replacing  
8 equipment, or (b) is directly supervised by an individual with such a  
9 verification"

--- END ---

**EFFECT:** Clarifies licensing exemption for the repair, maintenance, or replacement of industrial or commercial equipment.
