Brief Description: Authorizing removal of vehicles from restricted parking zones.

SB 5213 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Authorizes removal when a vehicle is illegally occupying a truck, commercial loading zone, restricted parking zone, bus, loading, hooded-meter, taxi, street construction or maintenance, or other similar zone where, by order of the director of transportation or chiefs of police or fire or their designees, parking is limited to designated classes of vehicles or is prohibited during certain hours, on designated days or at all times, and where the vehicle is interfering with the proper and intended use of the zone.
