Brief Description: Regulating disposition of returned license plates.

SB 5600 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the department to, upon request, provide license plates that have been used and subsequently returned to the department to individuals for nonvehicular use. The department shall charge a fee of up to five dollars per plate to cover costs of recovery, postage, and handling. The department may waive the fee for plates used in educational projects, and may, by rule, provide standards for the fee waiver and restrictions on the number of plates provided to any one person.
