Brief Description: Transferring funds to the site closure account.

**SB 6087 - DIGEST**

(DIGEST AS ENACTED)

Provides that, during the 2003-2005 fiscal biennium, the legislature may transfer up to thirteen million eight hundred thousand dollars from the site closure account to the general fund.

Declares that the transfer in this act shall occur only if written agreement is reached between the state department of ecology and the United States department of energy pursuant to section 6 of the perpetual care agreement dated July 29, 1965, between the United States atomic energy commission and the state of Washington. If agreement cannot be reached between the state department of ecology and the United States department of energy by June 1, 2008, the treasurer shall transfer the funds from the general fund to the site closure account according to the schedule in this act.

Provides that, if for any reason the Hanford low-level radioactive waste disposal facility is closed to further disposal operations during or after the 2003-2005 biennium and before 2033, then the amount remaining to be repaid from the 2003-2005 transfer of thirteen million eight hundred thousand dollars from the site closure account shall be transferred by the treasurer from the general fund to the site closure account to fund the closure and decommissioning of the facility.

Provides that, to the extent that money in the site closure account together with the amount of money identified for repayment to the site closure account pursuant to RCW 43.200.080 equals or exceeds the cost estimate approved by the department of health for closure and decommissioning of the Hanford low-level radioactive waste disposal facility, the money in the site closure account together with the amount of money identified for repayment to the site closure account shall constitute adequate financial assurance for purposes of the department of health financial assurance requirements under RCW 70.98.095.
