Brief Description: Retaining fees for mobile/manufactured homes and factory built housing and commercial structures.

SB 6649-S - DIGEST

(DIGEST AS ENACTED)

Authorizes retaining fees for mobile/manufactured homes and factory built housing and commercial structures.

Provides that the department may waive mobile/manufactured home alteration permit fees for indigent permit applicants.

Provides that, until April 1, 2009, the department may adopt by rule a temporary statewide fee schedule that decreases fees for mobile/manufactured home alteration permits and increases fees for factory-built housing and commercial structures plan review and inspection services.

Provides that, effective April 1, 2009, the department must adopt a new fee schedule that is the same as the fee schedule that was in effect immediately prior to the temporary fee schedule. However, the new fee schedule must be adjusted by the fiscal growth factors not applied during the period that the temporary fee schedule was in effect.
