Brief Description: Requesting the implementation of the plan to maintain the navigation channel and loading docks on the lower Snake River.

SJM 8047.E - DIGEST

(AS OF SENATE 2ND READING 2/16/04)

Requests that the federal government take all necessary actions to ensure that the United States Army Corps of Engineers will expeditiously implement the proposal for a one-time dredging during the winter of 2004-05, to maintain the navigation channel and loading docks on the lower Snake River to ensure that the use of barges is maintained and that they can again be fully loaded.
