By Representative Haler

WITHDRAWN 03/01/2006

- 1 On page 3, after line 19 of the amendment, insert the following:
2 "(4) All biodiesel manufacturers must provide a certificate of
3 analysis with every shipment to the purchaser of their biodiesel, that
4 certifies that the lot of biodiesel from which shipment to the
5 purchaser is made, has been tested by a competent laboratory certifying
6 the lot of biodiesel meets or exceeds the specifications in ASTM D
7 6751. Certification testing and accompanying certificates of
8 conformance must be performed on every lot of manufactured biodiesel
9 used in a diesel fuel blend.
10 (5) All biodiesel manufacturers shall provide evidence that a
11 stability test has been conducted for each lot produced."

EFFECT: Requires biodiesel manufacturers to provide a certificate of analysis with each shipment of biodiesel that certifies that each lot of biodiesel has been tested by a competent laboratory and that it meets or exceeds the ASTM D 6751 standard. Requires biodiesel manufacturers to provide evidence that a stability test has been conducted for each lot of biodiesel.
