Background: The Special License Plate Review Board was created in the 2003 session and charged with reviewing special license plate applications from groups requesting the creation of a special license plate series. Upon approval, the board forwards the application to the legislature.

On December 10, 2004, the board formally approved the Department of Veterans Affairs' Armed Forces license plate collection application.

Summary of Amended Bill: The Department of Licensing (DOL) must issue a special license plate collection for motor vehicles recognizing the contribution of veterans, active duty military personnel, and reservists. The collection includes a design for the army, navy, air force, marine corps, coast guard, and the Washington national guard. DOL must also issue a decal indicating military status of the person purchasing the license plate. Armed Forces license plates and decals are available only to veterans, active duty military personnel, reservists, and the spouses of deceased veterans.

An applicant for an Armed Forces license plate must pay an initial fee of \$40 and a renewal fee each year thereafter of \$30. The initial revenue generated from the plate sales must be deposited into the motor vehicle account until the state has been reimbursed for the implementation costs. Upon reimbursement, the revenue must be deposited into the veterans

stewardship account and may only be used for activities that benefit veterans, such as, establishing memorials honoring veterans and maintaining a future state veterans' cemetery.
