

2SHB 1993 - H AMD 259

By Representative Cody

ADOPTED 03/10/2007

1 On line 16, line 28, after "first" strike "one hundred" and insert
2 "fifty"

3 On page 16, after line 30, strike all material through "staff." on
4 line 32

EFFECT: Reduces the hours of face-to-face client contact that
chemical dependency professional trainees must conduct under direct
observation from 100 to 50. Removes the express prohibition on
trainees from supervising clinical staff.
