

SSB 6011 - H AMD TO H AMD (H-3423.1/07) 795
By Representative Sump

1 On page 4, line 8 of the amendment, before "transported" strike
2 "that cannot be reasonably accessed or" and insert "and the mineral
3 resources cannot be reasonably"

EFFECT: Removes the requirement that the Commissioner of Public
Lands must find that another mineral resource cannot be reasonably
accessed before the Commissioner allows industrial uses in the Maury
Island Aquatic Reserve.
