

HB 2523-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Finds that there is a current lack of leadership and commitment at the state level to improve world language instruction so that our students can secure their part in the global community and remain competitive in the world.

Directs the superintendent of public instruction to assign at least one full-time equivalent staff position within the office of the superintendent of public instruction to serve as the world language supervisor.
