

ESSB 6522 - H AMD 1354

By Representative Cody

WITHDRAWN 03/02/2010

1 On page 2, line 28, after "system." insert "Integrating medical
2 homes into accountable care organization models that share savings
3 resulting from improved quality and slower spending growth aligns the
4 interests of primary care providers, specialty care providers, and
5 hospitals."

6 On page 2, line 31, after "The" strike "administrator" and insert
7 "health care authority"

8 On page 3, line 6, after "the" strike "administrator" and insert
9 "health care authority"

10 On page 3, line 13, after "The" strike "administrator" and insert
11 "health care authority"

12 On page 3, line 21, after "administrator" insert "of the health
13 care authority"

EFFECT: Provides an additional finding related to aligning the interests of primary care providers, specialty care providers, and hospitals. Designates the health care authority, as opposed to the administrator of the health care authority, as the entity responsible for facilitating the development of accountable care organizations.
